Subject: Audit Report – Calendar Q1 2016

May 7, 2016

The Audit Committee has completed the calendar Q1 2016 audit which included Jan-Mar 2016. The audit took place during the quarter and included auditing of the following area:

1. Reconciliation of the checking and money market accounts
2. Testing of a sample of disbursements for proper approvals

Summary of Findings:

Bank Account Reconciliations: the Audit Committee reviewed and verified that all bank reconciliations for the checking and money market accounts for the period of Jan 1 through March 31, 2016 have been completed. The Audit Committee verified the reconciliation “Adjusted Bank Balance” agrees to the general ledger for each cash account.

Disbursements: The committee has audited 9 disbursements which took place between Jan 1 through March 31, 2016 and has found that all required approvals prior to disbursement were obtained.

Overall Results:

It is the opinion of this Audit Committee that all transactions have been properly reflected in the accounting records. The audit results indicate that the SVBTA financial processes are well managed with generally good controls in place. The committee has received full cooperation during this audit engagement and we were provided with access to all requested documents. Questions and inquiries were responded to in a timely manner.

All of which is respectfully submitted,
